# Objectives & Strategic Lines

- Support the consolidation and expansion of the EUMEDGRID Infrastructure with a special emphasis on sustainability.
- Bottom-Up approach:
  - Create a Two Levels network of Competence Centres
  - Involve new user communities
  - Strongly cooperate with other projects and initiatives relevant for the Mediterranean
  - Create critical mass to exploit the available resources and build consensus.
- Top-Down approach:
  - High Level Policy Dissemination
  - Involve institutions and ministries to include eInfrastructures in the political agenda

The screenshot shows the EUMEDGrid website homepage. At the top left is the EUMEDGrid Support logo. The main navigation bar includes links for HOME, ABOUT, REPORT, VIDEOS, MEDIA CENTRE, EVENTS, COMMUNITY, HISTORY OF EUMED, and WIKI. The main content area features a 'State of the Art: Europe & Med' section with a list of topics: Infrastructure, Application support, Collaboration and Training, and News. A 'Read more...' button is visible. Below this is a 'Latest Updates' section with 'No Documents'. To the right is a featured article titled 'Sustainability of e-Infrastructures across the Mediterranean' with a 'Top' badge and a 'More about EUMED>>' link. Further right is an 'Upcoming Events' section listing 'EUMEDGRID-Support Kick-Off' on 25-28 January 2010 in Cairo, Egypt, with a 'More info >>' link. At the bottom left is a 'Most read' section with a 'Pick' badge and a list of articles including 'Collaboration and Training', 'Programme', and 'EUMEDGRID-Support Kick-Off & EUMEDCONNECT2 Meeting'. At the bottom right is a 'Who is online' section showing 'We have 7' users.
